Noon – Lunch

12:30 p.m. – Keynote presentation
by Dr. Steve L. Robbins

Speaker

Dr. Steve L. Robbins, from Grand Rapids Michigan, offers interesting perspectives on education, leadership, inclusion, innovation, and cultural competency. With extensive experience working with large, small, for profit, and not-for-profit organizations across the country, Dr. Robbins uses his life experience growing up as a Vietnamese immigrant, challenged by poverty and discrimination, to teach about the dynamic power of caring.
